GMT autonomy agency and identity in pdf - Autonomy.

Autonomy is an individual's capacity for self-determination or self-governance. Beyond that, it is a much-contested concept that comes up in a number of different arenas.

Autonomy | Internet Encyclopedia of Philosophy - Political freedom (also known as political autonomy or political agency) is a central concept in history and political thought and one of the most important features of democratic societies. Political freedom was described as freedom from oppression or coercion, the absence of disabling conditions for an individual and the fulfillment of ...
