- Because I write about illness and medical research and the professionals who try to help those with medical problems, I find myself wanting to recommend links that don't really fit into the other categories on this site, or even into the concept of the site. Coping with chronic, rare, and invisible diseases and ... - Being a guy who writes science fiction, people expect me to be well-informed about the current state of the fieldâ€”as if I'm a book reviewer who reads everything published in my own approximate area. Why I barely read SF these days - Charlie's Diary -
