

## why is the penis shaped like that and other reflections

Sun, 17 Feb 2019 02:25:00 GMT why is the penis shaped pdf - A phallus is a penis (especially when erect), an object that resembles a penis, or a mimetic image of an erect penis. Any object that symbolicallyâ€”or, more precisely,

iconicallyâ€”resembles a penis may also be referred to as a phallus; however, such objects are more often referred to as being phallic (as in "phallic symbol").
